Staff [francescobalzano1988@alice.it](mailto:francescobalzano1988@alice.it)

send one or more mp3/wave file of a music/ soundtrack/ lyric aria/  
arrangement of any melody/ vst music for competitions/ live recording  
session (good quality)/ compositions for music exams, thesis, concerts/  
music on paper to convert into a professional format

choose the number of musical instruments (instrumental lines on  
score), the musical genre (for an ex novo arrangement), loyalty to  
the original file in case of orchestration (0-100%, where 0 is  
greater freedom, 100 transcripts note by note)

decide on type of score by looking at the TARIFF,  
between Standard (the usual manner) or Custom  
(su misura, "personalizzata")

create your **Dream Score!**

**Custom** a score:

it means filling your score with drawings, white spaces at intervals, unusual staves, colors, numbers, maps, mysteries, tales, transforming it into a musical book

**Customization** includes a supplement to the initial rate; please consult the price list.
